

Lean Manufacturing Training Classes Coming to You!

Reserve now for
the special deal!
(Send three for the price of two)

**Lean for the
Office
and
5S**
(Workplace Organization and
Standardization)

Lean for the Office combines a mix of classroom style learning and an interactive live simulation where participants become managers and workers within the company.

The 5S workshop teaches participants first hand how the 5S System reduces waste in a simulated production area.

Details

- December 9th — **5S**
- December 16th — **Lean for Office**
- 8:00am—5:00pm
- FICDA Building, Franklin, PA
191 Howard Street.
- \$295/participant **Special:**
Send three for the price of two!

Presented by: Northwest Industrial Resource Center (NWIRC)
