“Writing a Winning Business Plan”

Presented by Gannon Small Business Development Center

The importance of developing a sound business plan, and putting it on paper, is one of the most critical steps you’ll take in starting your business. In fact, 80% of new businesses fail within the first five years of operation because they lack a formal, written plan. This is your opportunity to be one of the 20% that succeeds!

March 23, 2010 & March 30 (2 part series, must attend both dates)

6:00 p.m.-8:00 p.m.
