jack uldrich

President, The NanoVeritas Group

Jack Uldrich is the author of the award-winning, bestseller, *The Next Big Thing Is Really Small: How Nanotechnology Will Change the Future of Your Business*, and president of The NanoVeritas Group, an international leadership and technology consultancy dedicated to helping business, government, and non-profit organizations prepare for and profit from the emerging field of nanotechnology. Clients include Fortune 100 companies, venture capital firms and state and regional governments.

Uldrich is a frequent speaker on the leadership and nanotechnology lecture circuits and has spoken before numerous businesses, trade associations and investment groups, including General Mills, Pfizer, and the U.S. Chamber of Commerce. He is a regular guest on the award winning program, *Almanac*, and has appeared on CNN numerous times. Uldrich, a former naval intelligence officer and Defense Department official, also served as the Director of the Minnesota Office of Strategic and Long Range Planning under Governor Jesse Ventura.

His new book, *Investing in Nanotechnology: Think Small. Win Big.* was released March 2006. He is also the author of *Soldier, Statesman, Peacemaker: Leadership Lessons From George C. Marshall* and *Into the Unknown: Leadership Lessons from Lewis & Clark's Daring Westward Adventure*. Uldrich's other written works have also appeared in *Leader to Leader*, *The Futurist*, *The Scientist*, *CityBusiness*, *The Futures Research Quarterly*, *TechStation Central* and scores of other newspapers around the country.

Time/Location/Cost

- 8:30 am - 10:30 am
breakfast buffet @ 8:30 - 9:00
- Cross Creek Resort, Titusville PA 16354

"The next big thing is really small: How nanotechnology will change the future of your business"
- 10:10 - 10:30
Questions and Answers (Q&A)

Technology Investments

The companies engaged in the technology industry are subject to fierce competition and their products and services may be subject to rapid obsolescence. Due to greater volatility and risk, investing in these industries may not be suitable for all investors.

Seminar/breakfast made possible through the Northwest Commission and Raymond James Financial Services, Inc. Member NASD/SIPC
